Pure Water Development L.L.C., 5001 SW 74th Court, Miami, FL-33155, Phone: 305 663 2989, Fax: 305 662 7479

## Your ECO II Recycling!

**First ECO II  
recycled FREE!  
(\$128 value!)**

**Thank you** for purchasing the ECO II Amalgam Separator, designed to provide dentists with a convenient, hands-off solution to waste water treatment and management.

**Pure Water Development LLC** is the official recycling company in the USA for the ECO II amalgam separator (DEP EPA ID# FLR000095208). Partnered with Dental Eco Service and METASYS Medizintechnik GmbH of Austria (manufacturers of the ECO II amalgam separator), they have recycled sludge for over 15 years, averaging 30 tones of amalgam sludge annually from all over the world

**Let us recycle for you.** Simply fill in the information below and fax in this form to 305-662-7479, or mail it back to 5001 SW 74<sup>th</sup> Court, STE 206, Miami, FL 33155. **YOUR FIRST ECO II IS RECYCLED FOR FREE**, a value of \$128. This also includes recycling for your scrap amalgam (from filters, traps, non-contact amalgam). Call to order your Eco Center, a specially designed amalgam collection system for scrap amalgam from METASYS / Pure Water.

**Pure Water Development LLC** and your Dental Equipment Supplier are working hand in hand to provide you with the quality service you have come to expect.
